DRAKE ROCKS!

The star of Nickelodeon's *Drake & Josh* releases his major-label debut CD. It's *Only Time* December 5th... can Drake Bell conquer the world of music?

CHILDHOOD DREAM!
There's no doubt that Drake was born to be a star! "I was always the little singer around the house," Drake tells *Popstar!* "I was always putting on shows and growing up just loving entertainment and being in love with every aspect of it."

For his "I Know It" video, Drake went '60s like the cover of his favorite album, Sergeant Pepper's Lonely Hearts Club Band.

We spied Drake in Manhattan holding hands with his real-life GF Melissa Linggofelt!

FOR WHOM BELL TOLLS!
Drake is head-hush on the girlfriend talk, celebrating his week or romantic evenings. "Nothing really comes to mind," Drake says when asked about the most romantic thing he's ever done. "Just pick the greatest thing you could ever imagine to give doing for you and say that's what I did!" Very sneaky Drake! He met his girl's best friend Melissa after judging *Miss Teen USA*. The North Carolina beauty was First Runner Up... but she's #1 in Drake's heart!

ALL ABOUT THE MUSIC!
Drake's CD hints at a few of the singer's musical inspirations, but it also has its own unique flair! "It's very influenced by The Beatles and The Beach Boys," Drake dishes. "It's very upbeat and there's a lot of really cool stuff going on. It's catchy and fun!" And where does he find inspiration for those awesome lyrics? "Just from life, I guess. How I feel at that moment, that day or, you know, relationships is a lot. And sometimes I like to write songs that just tell stories."

THE REAL DRAKE!
Even though Drake loves acting, he tells us that music is where his heart is! "Music is more personal," Drake shares. "With acting, you're doing someone else's idea and playing their character and whenever you can, you make it your own and put your own spin on it. But music is what you're feeling and what you want to say and how you want to portray it, so it's much more personal and that's what I'm in love with!"
